DETAILED ACTION

1. This communication is in response to the BPAI decision made on 7/11/2008.

After thorough search and examination of the present application and in light of the prior art made of record, claims 1-63 are allowed.

Reason for Allowance

2. The prior art made of record does not teach or fairly suggest the combination of elements, as recited in independent claims 1, 16, 27, 40, and 55. More specifically, the prior art of records does not specifically suggest "storing the expanded key information in a key record, wherein the expanded key information is not stored in intermediate storage" in combination with all the other limitations in the claims.

These features together with other limitations of the independent claims are novel and non-obvious over the prior art of record. The dependent claims 2-15, 17-26, 28-39, 41-54 and 56-63 being definite, enabled by the specification, and further limiting to the independent claims, are also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Usmaan Saeed whose telephone number is (571)272-4046. The examiner can normally be reached on M-F 8-5.
